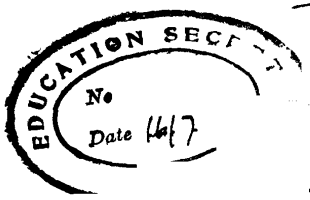
Office of the Deputy Commissioner,
Shimoga District,
Shimoga dated 13th July 1945.



The Deputy Commissioner
Shimoga District.
Shimoga

The ~~Legal Remembrancer~~
Secretary to Government
~~Law~~ Department
Bangalore.

Sir,

Sub:- Construction of quarters for the Medical staff, at Shikarpur town grant of a site required, for the purpose free of cost, by the Municipality

-oOo-

I have the honour to state that the Executive Engineer, Shimoga Division, and the Dist Medical Officer, Shimoga, made a reference to this Office stating that arrangements were made to construct quarters for the Medical staff at Shikarpur and that a suitable site was required for the purpose, in view of the urgent necessity

The Executive Engineer, Shimoga Division opined that the bit of site which has been selected for the purpose of constructing a Veterinary Dispensary is best suited for constructing Medical staff quarters, in view of its close proximity to the Local Fund Dispensary

ipal President reports that the Municipal Council considered the question at its meeting held on 12-1-45 and passed a resolution to the effect that, as per plan sanctioned, a length of 250 Ft required for the construction of the quarters for the Medical staff, be given for the purpose, from out of the Site reserved for the construction of the Veterinary Dispensary at the place. Vide Resolution copy enclosed for favour of reference

The Executive Engineer, states (vide his letter No 375/1-5-45 enclosed in the records) is quite ample for the purpose He adds that in pursuance of the Resolution of the Municipal Council, referred to above, the possession of the site measuring about 250' has been taken over by the Asst Engineer, Shikarpur and that the work of construction has been started

onnection that the site measuring 270' plus 160'/2 510' plus 460/2 was originally granted for the construction of a Veterinary Dispensary at the place Vide G O No F.672-8- A H 40-42-2 dated 18th June 1943 A plan furnishing particulars as to the entire site that was originally granted for the construction of the Veterinary Dispensary and the portion of the site marked E.C D F, that is now selected for the construction of the quarters for the Medical Staff is forwarded herewith for favour of reference

I have inspected the spot in question during my visit to Shikarpur Town on 10-6-45, along with the District Veterinary and Live Stock Officer, Shimoga, who opined that the remaining bit of site marked A E F B measuring 260 x 270 according to the plan is quite ample to locate the Veterinary Dispensary according to the plans approved by the Govt

Government Architect. The Executive Engineer, Shimoga Division is also agreeable to the above proposal.

So far as the Veterinary Dispensary is concerned, I write to state that the Executive Engineer, Shimoga states that the construction of the Dispensary building alone cost Rs. 7000/- and adds that the construction of the Ward and the existing Shed might cost a further sum of Rs. 4000 or Rs. 5000. He states that the donation of Rs. 3000 credited by M. Honnasettar Maheswarappa of Shikarpur is found to be quite inadequate for the purpose. I have however issued instruction to the Amildar-President, Shikarpur Town Municipality, to make attempts for raising further donations for this work.

In these circumstances, I request that sanction of Government may kindly be obtained to the grant of site measuring 250' x 160' marked as E C D F. (In the plan forwarded herewith) for the construction of the quarters required for the Medical Staff and to Reserve the remaining portion marked as A.E F B., measuring 260' x 270'-for the construction of the Veterinary Dispensary.

The relevant records with plan, bearing on the subject are forwarded herewith for favour of reference.

I have the honour to be,
Sir,
Your most obedient servant.

For Deputy Commissioner
Shimoga District.
